SURF & SUP LESSONS

CORPORATE & GROUP ACTIVITIES

HB'S PREMIER

Surf Instructor

McKinnon Surf & SUP Lessons provides premium surf and stand-up paddle board lessons utilizing professional surfing and paddling expertise with quality equipment to ensure a safe and fun experience.

When participating in a lesson, everyone will have a successful enjoyable experience because they are provided with ergonomically correct equipment fit for body type and skill level and surrounded by a team that are professional and proficient in the activities provided.

Founded by Professional Surfer/Shaper Rocky McKinnon. Rocky is an accomplished waterman who has gained success and notoriety throughout the years by, at one time, being ranked one of the top 10 longboarders in the nation to multiple magazine cover shots, television interviews, commercials & surf videos. Rocky is also the proud creator of the first ever Adaptive Surfing program in Huntington Beach, for our special needs community.

CORPORATE

GROUP Activities

✔ Team Building Surf Lessons

Take your team out of the boardroom and into the waves with an unforgettable group surf experience. Our premium surf lessons build confidence, communication, and camaraderie in a fun, high-energy environment. Participants learn to embrace challenges and celebrate shared wins—all while enjoying the excitement of surfing in a safe, supportive setting. This unique experience strengthens connections and leaves teams motivated, refreshed, and inspired long after they leave the beach.

✔ Team Paddle Boarding Lessons

Bring your team together on the water with corporate stand-up paddle boarding lessons designed to promote balance, focus, and teamwork in a relaxed yet engaging setting. With the use of our specialized equipment for all body types and abilities, we are confident that your participants will leave with the skills to be a safe and proficient paddle boarder. This activity offers the perfect blend of calm and challenge, making it ideal for team bonding, stress relief, and meaningful connection outside the workplace.

✔ Outrigger Canoe Paddling Experience

Challenge your team to move as one with our outrigger canoe experience. An exciting, hands-on lesson in teamwork, communication, and leadership. Guided by experienced instructors, participants learn to paddle in sync, follow clear direction, and adapt together to achieve a common goal. Success on the water depends on trust, timing, and collaboration, making this an unforgettable way to strengthen team dynamics.

✔ Outrigger Canoe Surfing Experience

Rocky McKinnon has developed a unique, one of a kind Hawaiian experience with his “Bold As Love” Outrigger Surf Canoe. Outrigger Canoe Surfing is an adrenaline-filled activity that demands trust, coordination, and clear communication. Teams work together to paddle in sync, and commit as one to catching waves & creating a powerful shared experience built on teamwork and leadership.

✔ Public Speaking Engagements

Choose from three unique, stand-alone speaking experiences designed to educate, inspire, and engage corporate audiences. With unique perspective on topics such as:

- **Adaptive Surfing for Special Needs**
- **History of Huntington Beach Surf Culture**
- **Shaping Demonstration**

Each presentation can be booked individually and tailored for corporate events, conferences, and team retreats.
